

# B O P Y P

BRING YOUR OWN PEOPLE

PRESENTED BY

LITERARY COMPLEX

*Bring Your Own People (B.Y.O.P.) is a literary open house, a poetic pot luck. We invite readers and writers to leave their neighborhoods in every sense—zip code, genre and resume—to meet other creative types from the next ward, inside/outside the academy, and beyond the city limits. Each evening features a reading curated by two literary neighbors with the aim of tearing down those proverbial fences. You b.y.o.b., b.y.o.s. (snacks), and b.y.o.p.*
